

MONACO YACHT CLUB & RESIDENCES BY OPTIMUM DEVELOPMENT USA ANNOUNCES GROUNDBREAKING

February 04, 2020

Monaco Yacht Club & Residences, an enclave of 39 luxurious waterfront residences with a private marina, has announced that it will be breaking ground imminently. Optimum

Development USA, Moss, the appointed general contractor of the condominium, and Fortune Development Sales will host a groundbreaking event this week to commemorate the start of construction on the site, which is located at 6800 Indian Creek Drive.

The 12-story boutique condominium is slated for completion in early 2021 and is on one of the last remaining waterfront properties in Miami Beach's MiMo District. "The initial success of the sales process is a true testament to the demand buyers have for the pursuit of pleasure combined with the intimacy of a full-service boutique building," said Ricardo Tabet, CEO of Optimum Development USA. "Featuring the extraordinary talents of Piero Lissoni and Bernardo Fort-Brescia of Arquitectonica, Monaco Yacht Club & Residences introduces a new dimension in urban, waterfront living in one of the world's leading destinations for elegant and sophisticated design."

Monaco Yacht Club & Residences will include one to four bedroom residences, ranging in size from 918 to nearly 5,000 square feet. A limited collection of two penthouses will offer expansive living areas, including private terraces with summer kitchens, starting at 2,888 square feet. Primed for indoor-outdoor living and entertaining, the homes will feature wraparound terraces – each with finished floors and ceilings and sweeping views of Biscayne Bay, the Atlantic Ocean and the Miami skyline – as well as contemporary Italian kitchens by Boffi.

Additional highlights within the residences will include stone countertops, 10-11-foot high ceilings throughout, walk-in closets, private elevator entrances, and premium bathroom interiors featuring imported Italian marble flooring, spacious tubs and frameless, glass-enclosed rainfall showers with designer faucets. The building will be pre-wired for Home Automation systems to accommodate the latest smart technology.

Offering the best of a yachtsman's lifestyle, Monaco Yacht Club & Residences will feature a 12 slip marina available exclusively to residents, as well as a yachting concierge for maintenance needs, yacht charters or sailing, and fishing excursions. Other waterfront amenities include paddle boarding, kayaking and more. The resident's lounge will include a library and breakfast bar for leisurely waterfront dining.

Monaco Yacht Club & Residences are priced from \$1.1 million.
